BIG JULY CALL

Twenty-three Rejections

ONE MAN FAILS TO

Immediate Leaves of 14  
Days To Be Granted  
Under New Ruling

Columbiana county draft board No. 2 in Salem prepared induction notices for a large number of selectees who face army call next month, following receipt today of a roster of those men who were accepted from last Saturday's draft contingent.

Twenty-three rejections were reported, while four other draftees were detained for correction of remedial physical defects.

One man, a former Salem resident now residing in Cleveland, failed to report for induction Saturday and Selective Service authorities are being notified. It marked the first time that a district selectee had ignored an induction order.

The present policy of granting furloughs to inducted men will be discontinued June 29, officials of the Salem board have been advised.

## Released for 14 Days

The new procedure, which will affect the district men in future calls, will provide that every inducted man will be released from active service at the induction station for a period of approximately 14 days, unless he prefers to proceed directly to the reception center.

This will be accomplished by transferring the inducted men to the Enlisted Reserve Corps immediately following his induction and issuing orders recalling him to active service at the end of the 14-day period, a Selective Service bulletin explains.

The army will furnish transportation, meals and lodging of such reservists enroute to the city in which the local board is situated and from that point to the reception center.

The normal period between transfer to the Enlisted Reserve Corps and recall to active service will be 14 days. This period may be extended or shortened by not to exceed two days in order to meet processing scheduled at reception centers, or to prevent Sunday travel.

Reservists will be assembled in local board groups before departure as has been the custom.

## Accepted For Service

The Salem district men accepted for army service Saturday include the following:

Albert Ackelson, R. D. 1, East Rochester.

Wallace Daniel Adams, 477 S. Broadway.

Lowell Leon Burk, R. D. 2, Columbiana.

Robert Luther Brown, 247 E. Fifth st.

Clyde Albert Dotson, R. D. 2, Salem.

Robert Elbert Elser, 245 S. Elm st., Columbiana.

John Joseph Purillo, 550 Ohio ave.

Harry Leo Gosney, 337 Main st., Columbiana.

Walter John Grooms, R. D. 4, Salem.

Willard Deane Hetric, 36 1/2 S. Main st., Columbiana.

Charles Lawrence House, R. D. 1, Columbiana.

## Recounts Loss of U. S. S. Lexington

Interviewed by the press upon his arrival in New York City, Rear Admiral F. C. Sherman, commander of the former aircraft carrier Lexington, describes the carrier's last moments in the epic Coral sea battle. Sherman, a native of San Diego, Cal., was the last man to leave the flaming carrier.

Nothing But  
War Bonds  
For Sale!

The retail merchants division of the Salem Business Bureau will co-operate in the nationwide campaign on Wednesday, July 1, for the sale of nothing but War Bonds and Stamps for a 15-minute period in every retail store beginning at 12 noon.

A committee has been set up to promote this campaign. According to the plan, salespeople in the stores will not sell any merchandise from 12 to 12:15 p. m. on that day in order to devote their entire attention to the sale of Bonds and Stamps.

While the affair is being sponsored by the retail merchants division of the Business Bureau, merchants who are not members of the organization are invited to participate.

A general discussion of the plan will be held at a luncheon meeting at the Lape Hotel at noon Friday.

CHURCH TO OBSERVE  
135TH "BIRTHDAY"

Special Service To Be Held By Lisbon Presbyterianists Wednesday Evening

LIBSON, June 23.—The 135th anniversary of the Presbyterian church will be commemorated at a special service in the church Wednesday evening, when the pastor, Rev. J. Morgan Cox, will speak on the subject, "Foundations that are not shaken," and all members and friends of the church will participate in the service.

The history of the church dates back to June 24, 1807, when Clement Vallandigham of Allegheny county, Pennsylvania, accepted the pastorate of the Lisbon Presbyterian church which he served jointly with that of the Long's Run Presbyterian church in southern Columbiana county, near what is now Glenmoor.

The church was organized here just four years after the village of Lisbon was founded by Major Lewis Kinney, a Baptist preacher, and Rev. Vallandigham, 29, came here with his bride to enter upon his first pastorate.

Methodist Leaders Will  
Attend Lakeside Rally

LIBSON, June 23.—Rev. R. T. Campbell, pastor of the Methodist church, and Mrs. Campbell will leave Wednesday morning to attend the annual Northeast Ohio conference of the Methodist church which will be held at Lakeside June 24 to 29.

N. H. Ramsey has been elected a lay-delegate to the conference and will represent the congregation in asking the return of Rev. Campbell when the assignment of pastors to the various churches of the district is made on the closing day of the session. Rev. Campbell is completing his third year as pastor of the local church.

F. D. R., Churchill In "Most  
Important Meeting  
Yet Held"

SHIPPING EXPERTS  
CALLED TO SESSION

China Discussed Yesterday  
In Meeting With Dr.  
T. V. Soong

(By Associated Press)  
WASHINGTON, June 23.—President Roosevelt and Prime Minister Churchill of Britain centered their attention today on the vital problem of shipping as they went ahead with the mapping of plans for the United Nations war strategy.

They summoned shipping experts of the two governments to a White House conference which was described as one of the most important of the series the chief executive and prime minister have been holding for the last five days.

The White House permitted the disclosure also that Mr. Roosevelt and Mr. Churchill had conferred yesterday with Dr. T. V. Soong, China's foreign minister, who has been in this country for some time. Presidential Secretary Stephen Early said it was "quite an extended conference."

"The subject was, of course, China, in a military sense," Early said.

## Most Important Meeting

The presidential secretary said that today's major parley "will be on the subject of shipbuilding and ship use." It was he who said the meeting was one of the most important yet held. Meeting with the President and prime minister were Harry L. Hopkins, a principal adviser to the President in the field of supplies; Rear Admiral Emory S. Land, head of the war shipping administration and co-chairman of the combined Anglo-American shipping board; Sir Arthur Salter, British chairman of the board; Lewis W. Douglas, deputy war shipping administrator; Rear Admiral Howard L. Vickery, the maritime commission's ship construction authority; Admiral Sir Charles Little, member of the Anglo-American combined chiefs of staff; and Admiral J. W. Doolittle, British admiralty supply representative, Admiral Ernest J. King, commander-in-chief of the United States fleet; and Vice Admiral S. M. Robinson, chief of the navy's office of procurement and materials.

For the time being, the President and prime minister confined their public remarks to a carefully worded statement, issued last night. It made one principal point:

"The object in view is the earliest maximum concentration of Allied war power upon the enemy, and reviewing or, where necessary, fur-

Cleveland's Aid in Philippine Economics Is Praised

CLEVELAND, June 23.—Carmi A. Thompson's "most valuable contribution to his country's welfare was his study of economic and political conditions in the Philippines as a special commissioner for President Coolidge in 1926."

So spoke the Cleveland Plain Dealer today of a man who rose from the Ohio coal mines to the office of U. S. treasurer, and who twice was secretary of state for Ohio. Thompson, a Republican, died here yesterday at the age of 71. Funeral services will be held here tomorrow afternoon, with burial at Ironton, O., Thursday at 1 p. m.

POTTER COMMITTED  
TO STATE HOSPITAL

LIBSON, June 23.—Richard Moore East, Liverpool potter indicted by the grand jury on a first degree murder charge, was committed to the Massillon state hospital for a period of observation, not to exceed 90 days, at a hearing in common pleas court this morning.

Moore is held in the fatal shooting of Oscar Williams, 56, his father-in-law, and the wounding of three other members of the family. The shooting occurred two weeks ago on a downtown East Liverpool street.

At the request of defense counsel, Dr. Edward Mayer, Pittsburgh psychiatrist, will join Dr. Arthur G. Hyde, Massillon state hospital superintendent, in examining the prisoner.

Moore's trial is scheduled to open here July 6.

Moore's commitment to the asylum for observation follows that of Jack Earl Rogers, 18, of Salem, who pleaded not guilty by reason of insanity in the slaying of John Krumpholtz, 71-year-old pensioner who was fatally beaten in a street fight.

88 MISSING ON  
U. S. FREIGHTER

Loss Is Heaviest In Single  
Sinking Off Coast Since  
U. S. Entered War

(By Associated Press)  
Possibly the heaviest loss of life in a single sinking off the Atlantic coast since the United States entered the war was disclosed today with the navy's announcement that a medium-sized American freighter went down June 15 and that 88 persons were missing, two of whom were known dead—the 294th ship sunk in the western Atlantic since Pearl Harbor.

The sinking was revealed less than a day after the navy had announced that it had been conveying merchant shipping along the east coast for approximately 30 days.

The freighter, hit by two torpedoes 75 miles off the United States coast, sank so rapidly that none of its lifeboats were launched and many of those missing were believed trapped in cabins below decks.

Eighty-one persons, including 23 U. S. soldiers, were rescued and brought to east coast ports by vessels which were nearby when the attack occurred.

(One of the heaviest losses since the war began in 1939 was the "Lady Hawkins," a 7,988-ton Canadian passenger ship, which was sunk on a Halifax to Bermuda run on May 17, 1941, after a sudden attack. A total of 245 missing passengers and crew were never found.)

The navy's convoy system covered the eastern sea frontier from Maine to Florida.

Argentine Freighter Sunk  
WASHINGTON, June 23.—Secretary of State Hull declared today the sinking of the Argentine freighter Rio Tercero 129 miles out of New York was one more instance illustrating the policy of frightfulness and terrorism the German high command is undertaking to carry on in the Atlantic.

Hull said at a press conference that, according to reports, the 4,800-ton Argentine vessel had been attacked and sunk in broad daylight.

Orders Disorderly Houses Closed; Reveals Arrest of Goldie Blair, Who Is Fined \$50

Mayor R. R. Johnson, explaining that he was cooperating in the government's campaign against vice conditions in industrial areas, has ordered disorderly houses in the city closed.

His order was carried to members of the police department by Chief of Police Ralph Stoffer.

The mayor disclosed that Goldie Blair of 938 S. Ellsworth ave., was arrested about a week ago on a charge of operating a house and was fined \$50 and costs after pleading guilty to a violation of a city ordinance.

Government and war department officials have asked that such places be closed for the duration.

BRITISH AWAITING  
NAZI DRIVE EAST

Military Leadership Criticized In British Commons

CAIRO, June 23.—The United States army has hurled its big four-motored Consolidated bombers into the defense of Egypt with a damaging raid on the Axis supply base of Bengasi, Libya, it was disclosed today.

With the battered British Eighth army expecting a drive eastward into Egypt at any time by the German-led troops who captured Tobruk and moved up to the border, the U. S. fliers joined the RAF in a heavy raid Sunday night on Bengasi's piers and railroad, an RAF communique reported.

Many fires were started in the damaging assault.

The RAF alone raided other Libyan points, shooting up air-dromes and transport, and reported torpedo hits on a merchant vessel in an Africa-bound Axis convoy.

Constant aerial patrol is being maintained, in addition to the bombing and strafing, in the American and RAF bid to keep the Nazis and their Italian satellites from getting set for the expected quick thrust against Egypt.

Royal air force observers reported

LONDON, June 23.—Lord Strabolat, Labor party leader in the house of lords, complained in a speech at Bedford today of the "divided control" between President Roosevelt and Prime Minister Churchill.

"All these comings and goings of key men across the Atlantic showed there was not real unity of command," he said after declaring that "if a second front had been opened in Europe last autumn the Germans could not have spared the armaments with which Rommel defeated us in Libya."

"large numbers" of German-Italian vehicles, presumably carrying troops, were in the vicinity of Sidi Azeiz, 12 miles west of the border, where they were attacked by fighters and bombers, but it was reported here that the great bulk of the enemy strength still seemed to be some 50 miles west of the border.

Loss Seven Warships  
LONDON, June 23.—Dissatisfaction with Britain's military leadership flared openly in the house of commons today as it received its first accounting of the defeat in Libya.

Although the heartening news came that Britain's desert fighters have been reinforced and that new reinforcements are on the way, the house learned that the naval side of the Libyan struggle cost Britain seven warships, including a light cruiser, and 30 planes.

Clement Attlee, dominions secretary, made the report in the absence of Prime Minister Churchill, but offered little explanation of the shipwreck, sudden setback in Libya.

He fixed the blame for the defeat, cheered when conservative Sir John Wardlaw-Milne, from Churchill's

## LIBYA ISN'T EXERCISE

There is a curious notion that what is going on in Libya is nothing but more of the same—the same being a series of vastly expensive but enormously futile surges back and forth over the sandy desert, with neither side winning any permanent advantage.

This does not take into account the fact that the combatants plainly do not feel that way about it at all. They are fighting for mastery of one of the great continents and control of the Mediterranean area, which could determine the outcome of the war. They are fighting to win, moreover.

The Germans have drawn heavily on their own resources and the resources of their reluctant ally, Italy, to make this Libyan campaign the last one. That is the meaning of the long and costly attempt to knock the island of Malta out of the war, of the attempt to send supplies to Tobruk, of the raid on the convoy and the counter-raid by United States bombers on the raiders. The Germans assuredly are not fighting in Libya for exercise, and the fact that United States equipment and manpower are in use should dispel any notion that the battle there is part of a play signifying nothing.

As in China, where war has raged longest, familiarity with the protracted action in Libya has bred contempt. But it is, nevertheless, a front of major importance. The fact that it is at the moment, also, a front on which the Axis has just won a major victory will remind too-hopeful Americans that the Axis still holds the initiative and is still calling the turn.

## WE CAN'T ALL PITCH

There is so much to be done before the Axis can be licked that millions of us are wondering whether we shouldn't be doing more as individuals to help.

All about us are vacancies left by men—and women—now in active service. They have been chosen because of youth, physical fitness and special qualifications to perform certain roles in the war. In the Atlantic, in the Philippines, in the naval battles of the Pacific and in hundreds of places all over the earth they have been given places on the firing line.

But we can't all be pitchers in this gigantic, complicated game called total war. There must be infielders and outfielders and utility players, too. The pitcher is the focus of attention, but after all he is only one member of the team.

There is, in a word, no lack of vital jobs in total war. Those Americans who feel that because they are not on the firing line they aren't being useful are victims of their own misunderstanding of what total war means. They—we—lack imagination.

Plainly, part of the trouble is the inevitable association of war with violence. It is hard for the civilian working in a factory to understand that what he is doing is as important as the activity of a bombardier in a plane over an enemy target. It is hard for the civilian to remember that the fighting men and the whole military organization are only part of a vaster organization bending every effort to win the war—the United States of America.

Probably there is nothing to be done about civilian restlessness, because human nature itself is at the root of the trouble. But at least there is a process of reasoning open to all who otherwise might impair their own military usefulness by letting themselves develop a sense of futility. They must ditch the foolish notion that the only way to contribute—or that the best way to contribute—to the war effort is to be on the firing line.

The United States will win because in the long run it will prove itself stronger than the enemies that plotted its destruction. Every legitimate activity not in conflict with the war effort adds to national strength. In a thousand new ways, from collecting scrap rubber to planning for post-war problems, that strength can be supplemented. Total war demands total effort—full and complete activity in all fields by all citizens. We can't all pitch, but all of us can get into the game.

## KILL THE UMPIRE

Leon Henderson, who has gone to the trouble of making his position as price administrator clear by saying he didn't expect to win any friends by doing a good job, needs no defenders. As such things go in the New Deal he seems well able to look out for himself.

But his attackers need some defenders—against their own antics. While they may think they are doing nothing more irregular than baiting the umpire when they swing verbally on Administrator Henderson, it is actually a great deal more serious than that.

It has been this country's decision that prices shouldn't be allowed to run away in this war, for the very simple reason that all the little people get squeezed when that happens. Having decided that in their own minds, the people nodded approval when congress reflected the decision and gave the executive authority to control prices.

It would be utterly childish now if the individual given responsibility for carrying out this policy should be pilloried by his own fellow citizens for doing what wanted done. It would be worse than that—it would be a crime against society—if a minority were permitted to interfere with Mr. Henderson in the performance of his job merely by wearing down his nerves with their jeering. It might not be any great loss to force Mr. Henderson out of his job, but it would do irreparable damage to this democracy if any man in his position could be yammered into the discard.

## THE STARS SAY:

For Wednesday, June 24

AN OUTSTANDING period for pushing toward high goals, with the promise of possibly sudden and unexpected advancement, recognition or preferment from influential personages is the augury based on interesting planetary configurations. This prospect for great fulfillments and personal gratification and happiness also has some difficulties and dangers, not only from impulsive, emotional or dramatic behaviors but as well by fraud, treachery or litigation. With restraint and moderation there should be rich rewards.

If It Is Your Birthday

Those whose birthday it is stand at the threshold of a year of rich returns for faithful and worthy past labors. Superiors, employers and those in power will be found ready to be generous and friendly in bestowing such largesse where rightfully due. It may materialize in increase of financial security, expansive business standing, or in enhanced position in the social, cultural or public affiliations, all assuring personal prestige and popularity. Impetuosity, rash moves or contention should not be allowed to interfere with the advent of such good fortune.

A child born on this day should be ambitious, efficient and fertile in organizing a plan of action bound to bring it much success and happiness in life. It will be noble, generous and good hearted.

Must be rather aggravating to Pierre Laval to have the United Nations act as if they had never heard of him.

## SCRAP COLLECTING TIME!

## CIVILIAN PREPAREDNESS IS URGED

Increases Morale, Self-Confidence, Says Clendening

By LOGAN CLENDENING, M. D.  
FROM THE PACIFIC coast a friend of mine who was the most eminent authority on war gases in the last war writes me some simple rules for civilians in preparing for war emergencies in the civilian population. I feel that they

Dr. Clendening will answer questions of general interest only, and then only through his column.

are so much simpler than many of the elaborate and frightening rules that have been put out that I should like to pass them on.

The emphasis is on preparation and prevention. Proper preparation increases morale and self-confidence. Self-aid is also strongly emphasized and the fact that civilians should make the most of what is available.

To help reduce the fire hazard: clear paper and rubbish from basements, attics, vacant lots and barns. Have water pails, sand and shovels in homes, garages, barns and in all buildings and working places.

## Phosphorous Burns

Phosphorous burns with yellow flames. Smother with dirt or water. Skin burns from phosphorous are bad; treat them with five per cent copper sulphate solution.

Oil burns with a yellow, heavy, smoky flame. Smother it with sand. Breathe through wet cloths to protect nose, throat and lungs from smoke.

Thermite and magnesium burn with white, sizzling flame. Spray edges with water and smother with dry sand or dirt.

Burns should be protected, preferably with sterile oils; shock should be treated with ordinary means; plasma loss should be treated with blood plasma transfusions. Particles of foreign matter in burns should be removed.

## War Gases

War gases may be mixed with incendiaries or demolition bombs. The best protection is obedience to air-raid rules; get inside with doors and windows closed. With ordinary wind conditions this will

protect against dangerous concentrations. If windows are broken by bombs, breathe through wet cloths. Wash eyes, nose, mouth and throat with a solution of a teaspoonful of baking soda in a glass of water.

War gases are not brutal or inhumane. They are less likely to produce death or permanent injury than bayonet, shot, shell or flames. It is not necessary to make a chemical identification of war gases in order to provide effective treatment. Tear gases are temporary in action and their effects may be handled by a two per cent baking soda solution.

Sneeze gases cause temporary discomfort with headache. They can be treated with a two per cent baking soda solution.

Lung irritants may bring no symptoms for 48 hours. If exposure is suspected, the best treatment is rest in bed.

Blister gases on the skin are very soluble in fats and are best treated with a three per cent solution of hydrogen peroxide or even simple washing with soap and water. Be careful where the blister fluid goes as it is also toxic.

## QUESTIONS AND ANSWERS

W. A. L.—I would like some information about cataract of the eye. How long does it have to develop before it can be removed? Are both eyes apt to be afflicted at the same time? Is there any special care that can be given the bad eye that would be beneficial? Does diet help or hinder in any respect?

Answer: Oculists like to have a cataract ripen before they remove it but how long this ripening period should be is not easy to state. Furthermore, it is very dangerous to try to do this on your own advice because if cataracts are allowed to go on too long, the eye on that side will become blind. Double cataract is fairly common. No special treatment helps before operation. The only relation of diet to cataract is that cataract is common in diabetes.

## What You Buy With WAR BONDS

Uncle Sam takes good care of his soldiers. Included in the issue to each man is two woolen blankets. Specifications say these blankets must be olive drab, must contain at least 65 percent virgin wool, the rest in worked-over wool. They cost \$6.85 each or \$13.70 for the pair for each man.

So a \$25 War Bond for which you pay only \$18.75 will buy almost three of these wool blankets for American soldiers. There are some cotton blankets which are used in tropical climates which cost \$2, but all our boys need these wool blankets. You can buy them with your purchase of War Bonds. Invest at least ten percent of your pay every pay day. Get War Bonds from your Bank, Postoffice or other issuing agency. U. S. Treasury Department

has seven pamphlets which can be obtained by readers. Each pamphlet sells for 10 cents. For any one pamphlet desired, send 10 cents in coin, and a self-addressed envelope stamped with a three-cent stamp, to Dr. Logan Clendening, 235 E. 45th st., New York. The pamphlets are: "Three Weeks' Reducing Diet," "Indigestion and Constipation," "Reducing and Gaining," "Infant Feeding," "Instructions for the Treatment of Diabetes," "Feminine Hygiene," and "The Care of the Hair and Skin."

Each soldier during his first year of service requires 200 pounds of wool, representing the fleece of 26 sheep.

## Beloit And Lisbon Couple Wed In East Goshen Church

Before an altar banked with palms, ferns, arch of roses and cello lilies at each end, and seven-branch lighted candelabra, Miss Treva Lucille Phillips, daughter of Mr. and Mrs. Eli T. Phillips of Beloit, and Walter Allen Everett, son of Mr. and Mrs. Harvey Everett, of Lisbon, were united in marriage at 7:30 p. m. Wednesday in the East Goshen Friends church. Rev. Kenneth Carey, pastor, read the single ring ceremony.

A prelude of nuptial music played by Miss Geraldine Fickes of Salem, at the piano, included "Liebestraum" and "Traumerel," and she accompanied Mrs. Floyd Phillips as she sang, "I Love You" and "Because." She played the traditional wedding marches.

### Given By Father

The bride, escorted down the aisle by her father, wore white tulle with a fitted bodice that had small buttons down the back to the waistline, sweetheart neckline, bracelet length pointed sleeves puffed from shoulder to elbow, and a full skirt with a short train. Her fingertip veil fell from a coronet and she wore a strand of pearl necklace, a gift from the bridegroom. Her bouquet was of gardenias and baby breath.

Miss Dorothy Malmesbury, maid of honor, wore a floor length dress of blue net and carried an arm bouquet of blue delphinium, roses and baby breath. Contrasting flowers formed her head dress. The bridesmaids, Miss Dorothy Stanley, dressed in floor length aqua marquette with inset lace, and Miss Wilda Stante in floor length pink with lace bodice and full marquette skirt, carried colonial bouquets of Kokomo carnations and wore roses in their hair.

Lola June McKenzie, niece of the bride, as flower girl wore white dotted Swiss. She was accompanied by Richard Phillips, nephew of the bride, in a light blue suit, and both scattered rose petals. Miss Wilma Stante in floor length pink with lace bodice and full marquette skirt, carried colonial bouquets of Kokomo carnations and wore roses in their hair.

### Wear White Carnations

Glenn Everett served his brother as best man and the ushers were Wilbur Robinson, cousin of the

bridegroom, and Worthy Law, both of Lisbon. The men in the bridal party wore white carnation boutonnieres.

Mrs. Phillips, mother of the bride, wore a flowered jacket costume in light blue with white accessories. Mrs. Everett, mother of the groom, was dressed in navy net with pink flowers and their corsages were of pink and white carnations and roses. The pianist wore a floor length peach net, and gardenias in her hair, while the soloist, Mrs. Phillips, was gowned in pink chiffon with a corsage in pastel shaded flowers.

Following the ceremony a reception for 65 relatives and friends was held at the home of the bride's parents. Buffet refreshments were served from a table centered with a four-tiered wedding cake decorated in pink and white with a miniature bride and bridegroom, and garden flowers in contrasting colors. The bride presented necklaces to her attendants.

Mr. and Mrs. Everett left in the evening for a week's trip through Michigan. The bride wore an orchid flowered white jersey costume with white accessories. They will return to their home at 417 E. Third st., Salem.

The bride is a graduate of Sebring High school and Salem Business college. Mr. Everett is a graduate of Lisbon High school and attended Oberlin college. Both are office employees of the Denning Co.

## Miss Klose Is Bride Of W. C. Baker

Margaret Klose, daughter of Mrs. Alfred Klose, and William C. Baker, son of Mrs. W. S. Baker, were married at 10:30 a. m. Monday at the bride's home on Euclid st., in a setting of palms, white gladioli with white tapers in crystal holders. Rev. George D. Keister, pastor of Holy Trinity Lutheran church, officiated at the double ring ceremony.

The bride wore an aqua jersey dress with a corsage of gardenias. The ceremony was witnessed by members of the immediate families and was followed by a wedding breakfast.

Mrs. Baker graduated from Ohio University and the University of Minnesota School of Library Science. She is a member of Delta Kappa Gamma, a national honorary society for women teachers.

Mr. Baker is a graduate of Mount Union college and the University of Pittsburgh and has completed course requirements for Doctor of Philosophy degree from the latter institution. Both are teachers in Junior High school.

The couple left for a short wedding trip to Monongahela National Forest, W. Va.

Program Presented by  
Garden Study Club

The Salem Garden Study club met yesterday afternoon at the library assembly room.

Mrs. C. R. Volav was in charge of the program which included a paper, "Plans For a Garden of Fragrance" which was given by Mrs. Andrew MacLeod. Mrs. MacLeod gave the names of old and new annual and perennial shrubs, vines and herbs. A horticulture report was given by Mrs. W. H. Mathews, which was followed by an informal discussion among the members of plant pests and plant problems.

Mrs. M. F. DeGrave won first prize in the rose arrangements, with Mrs. Albert Kaufman winning second and Mrs. W. D. King third prize.

Mrs. J. A. Cornell won honorable mention and a blue ribbon was presented to Mrs. G. W. McKee for the best rose specimen.

The next meeting will be held July 27 at Centennial park in care of the civic committee.

## British Envoy in U. S.

Harold B. Butler, Mrs. Butler and Dr. E. N. van Kleffens

Arriving in the United States to take up his post as British minister to the U. S. as well as to exercise the functions of director-general of the British Information Services, Harold Beresford Butler, left, is shown with his wife and Dr. E. N. van Kleffens, minister of foreign affairs for the Dutch government-in-exile. The picture was taken in New York after the trio arrived by Clipper plane. Butler told newsmen that at least 100,000 lives had been lost in the United Kingdom during the war and that every fifth house had been damaged or destroyed by bombs.

## Sweet Summer Breeze

At the left, a calot made of black horsehair is banked with muguet de bois, or valley lilies. At the right a huge tulle picture hat has a trim wreath of the same blossoms.

By PRUNELLA WOOD

LIGHT, pick-me-up perfumes are the only ones that a kind woman should use in mid-summer. There is something awful about a blast of heavy scent, no matter how good its quality, let loose on the swooning days when the thermometer is within an ace of blowing up.

If you are a one-scent woman and yours is as heavy as the best tawny port,

tone it down into lotion or cologne form, but please! If you have an open mind, however, splash yourself with delicate flower scents and be as liberal as you like. You simply can't get an overdose. Lily of the valley, or muguet, to give it the "parfum" not perfume name, is a beautiful summer scent, and the pretty dogday hats above were inspired by it.

### Marriage Solemnized In Church Here

The marriage of Miss Helen Means, niece of Mr. and Mrs. Clarence Means, to Norman Pim, son of Mr. and Mrs. Willard Pim, was solemnized at 2 p. m. Saturday by Rev. Raymond D. Walter in the Presbyterian church.

The bride wore a powder blue suit with white accessories. Miss Jane Means, sister of the bride, served as maid of honor and wore a dusty rose costume with white accessories. Eugene Rhodes served as best man.

Mr. Pim is a graduate of Bush-  
High school in Florida, class of '36.

Mrs. Pim is a graduate of East Liverpool High school, class of '38. After a short wedding trip the couple will be at home to friends in their new home in Sunset View.

### Daughters of Emmanuel Meet Wednesday

Daughters of Emmanuel of the Emmanuel Lutheran church will meet at 8 p. m. Wednesday in the social rooms of the church. The social committee will report on "family night" which will be held this month.

Plans will be completed also for the picnic to be held in July. Mrs. Simon Theiss has charge of the topic, "The Child and Religion." The associate hostesses will be Mrs. John Theiss, Mrs. Simon Theiss and Mrs. George Theiss.

### Mrs. Sell Is Honored At Housewarming

Members of the Do-Be-There club honored Mrs. LeRoy Sell at a housewarming at her new home, 491 Woodland ave., last evening.

Mrs. Sell received many lovely gifts. The evening was spent playing "500", with prizes going to Mrs. Alvin Pipe, Mrs. Michael Yunk and Mrs. Dallas DeRhode. A lovely lunch was served by the hostess at a table appointed in red and white and blue with a centerpiece of red and white roses.

The next meeting will be held June 29 at the home of Mrs. Harold Keifer, 784 E. Fifth st.

### Lisbon Couple Observe 50th Anniversary

Mr. and Mrs. Frank Mattix, Lisbon residents for many years, observed their golden wedding anniversary with a family dinner Sunday at the home of Mr. and Mrs. Wilbur Mattix, N. Jefferson st., Lisbon. Wilbur Mattix is a son.

The couple, married in East Liverpool 50 years ago, now reside on a farm south of Lisbon. They have three sons and a daughter: Carl of Salem; Wilbur of Lisbon; and Raymond and Laura at home.

### C. D. of A. Will Sew For Hospital

### Alliance Girl Bride of Merle H. Whitcomb

Miss Barbara Eleanor Kayler, daughter of Mr. and Mrs. S. Earl Kayler of 329 W. Summit st., Alliance, and Merle Homer Whitcomb, son of Mr. and Mrs. Fred Whitcomb of Salem, were married at 3 p. m. Saturday at the home of the bride by Dr. Basil McCarthy, pastor of the Alliance Methodist church, who read the single ring ceremony before members of the immediate families.

Relatives were from Salem and Youngstown. Ferns and palms banked the fireplace and on the mantle a large boat was filled with carnations and delphinium. Seven branched candelabra at each end of the fireplace had white Malonia lilies attached to them with white satin bows. Other bouquets of white garden flowers decorated the room.

The bride wore a gown of aqua jersey and a corsage of orchids. She carried a handkerchief with rose point lace that had belonged to her maternal great grandmother, Mrs. I. G. Toleton. Lee Elliott, daughter of Dr. and Mrs. William E. Elliott, who served as flower girl, wore a white dotted Swiss frock and scattered rose petals in the path of the bride, given in marriage by her father.

Mrs. Kayler, mother of the bride, was dressed in a navy blue and white printed chiffon with a corsage of white carnations. Mrs. Whitcomb wore a printed jersey with a corsage of Talsman roses.

Following the ceremony light refreshments were served at the dining room table where the centerpiece was a cake decorated with wedding bells on which were inscribed in gold the initials of the bridal pair.

Following a short wedding trip the couple will reside in Salem. Mr. Whitcomb is employed at the C. B. Hunt plant. For traveling Mrs. Whitcomb wore a sport suit with white accessories.

Mrs. Whitcomb, a graduate of Alliance High school, attended Kent State university and was formerly employed as bookkeeper for the strong Manufacturing Co. in Sebring.

Mr. Whitcomb is a graduate of Salem High school.

### Lutherans Will Hold Outing Tomorrow

Leetonia Banking Problem Is Solved

LEETONIA, June 23. — Negotiations between the Farmers and Merchants Banking Co. and the Citizens Savings Bank of Columbiana are about completed for continuance of banking services in Leetonia.

The Citizens Savings Bank proposes to establish a branch office in Leetonia. Agreements have been reached to purchase the bank building and assume deposit liabilities. Banking facilities will continue uninterrupted and the Citizens bank will take over July 1. Consent has been obtained of the Federal Deposit Insurance Corporation for the operation of the Leetonia branch. The Ohio superintendent of banks has given his approval. L. E. Fisher, cashier at the Farmers and Merchants Banking Co. has been retained to serve as manager of the Leetonia branch. Other personnel will be selected from Leetonia. Edward C. Greenamyer and H. D. Holloway are expected to represent Leetonia interests on the board of directors of the Citizens Savings Bank.

After U. S. Planes Blasted Jap Cruiser Off Midway

This picture of the battle of Midway Island, just released by the Navy, shows a Jap cruiser the Mogami class listing badly after being hit by bombs dropped from U. S. carrier based Navy planes. Billows of smoke fill the air and the deck is a mass of wreckage. Her turrets are twisted, her catapults are wrecked. Slit in side at waterline is probably the work of an American torpedo plane. The cruiser carried 850 men, and you can see some of them going over the side at the right of the picture.

# Cigars Win Over China, 11-4; Carrolls, E. F., Battle To Tie

## PITCHERS' BATTLE GOES 11 INNINGS; ORRIE WRIGHT HOT

**Volio Saves Battle For Carrolls With Tenth Inning Catch**

The United Cigars scored the only win in the Class A softball circuit last night at Centennial park although two games were played. In the nightcap, the Electric Furnace and the Carroll club battled for eight frames trying to break a tie which had existed since the third inning but darkness overtook them before a decision could be reached. In the first game, Orrie Wright turned in a four-hit performance as the Cigars downed the Pottery by an 11-4 count. He was opposed on the mound by Johnny McCoy who gave up but seven hits but whose chances of winning were hampered by a leaky defense. It was a seven run spurge in the fourth which clinched the game for the Cigars. Borton and Smith each got two hits to pace the Cigars.

Members of the league-leading Recreation softball team are urged to be at Centennial park tomorrow at 6 p. m. for a contest with Canton Westinghouse. Class A leader in Canton.

The Westinghouses have won nine of their 10 league tilts thus far this season.

attack while Pitcher McCoy led the China assault on his rival with a homer and a single. Wright fanned six batters and walked the same number while McCoy whiffed three and passed none.

A pitchers battle between Del Courtney of the Electric Furnace and Sal Guappone of the Carroll club was in evidence in the second game as both twirlers tossed up shutout ball after the first three frames. The Furnace threatened to end the battle several times but were stopped by a fielding gem or some nice pitching. In the last of the 10th frame, Fred Cope smashed a terrific drive towards right center only to see Johnny Volio pull it down in a leaping catch. Had that ball dropped in, the Furnace would have been winners a game. For there were men on base.

Courtney got all the best of the duel as he allowed but four hits over the 11 inning span. He set down nine batters via the strikeout route and passed but three. Guappone fanned six and walked five.

Bob Ritchie, who seems to be making the rounds of all the teams in the circuit, and Couchie each collected two hits in five trips to take individual batting honors. No member of the Carroll club got more than one safe.

## WEST END PITCHER HURLS TWO-HITTER

Beck hurled a two-hit game as the West End clubbers copped an 8-2 verdict from the Wildcats yesterday at Reilly field. The winners matched eight hits to tally their eighth run and took full advantage of seven errors by the Wildcats.

Pitcher Deagan of the Wildcats got both blows off the rival hurler. Hahn and Maroscher each tagged Deagan for two hits to take batting honors for the winners.

The West Enders clinched the battle with two runs in the fifth which broke up a tight game.

**BY HUGH FULLERTON, JR.**  
NEW YORK, June 23. — When little Otey Chismon shot that 65 in the Hale America golf and then blew himself right out of the picture, it didn't surprise his pals back home, who remember his club-throwing records. In the days of the peewee golf craze, Otey tried to collect a \$10 prize offered to anyone who could make par on one layout and he busted up a half dozen putters in the attempt. Billy Conn reports that when his fighting days are over he always can get a job as a window washer. He had four weeks of it at the Fort Jay hospital while that bungled hand was healing. ## MULLINS, ROBERTS GAIN "B" TRIUMPHS

Mullins downed the Czechoslovakians by an 8-4 count at Centennial park last night to remain unbeaten in the Class B softball chase. Lope-man tossed up a four-hitter against the youth's while his mates pounded Rudy Clotfi for 11 safe blows, including a double and three triples.

The shermen clinched the battle with two runs in the fifth after holding a 3-0 lead through the first three innings of the game. George DeCrow and Hill led the winners' attack with two blows apiece. In the second battle of the evening, Roberts overcame a five run deficit to top the Red Steer, 7-6. The Steers grabbed a 2-0 edge in the first frame on Bob Houlette's homer with a mate aboard and tallied three more runs in the third. The Roberts team wiped out three of the five run lead with a fourth inning spurt good for three.

They won the battle with a four run rally in the seventh and final frame. Devis led the attack with three hits. Houlette paced the Steers.

## RAY STARR PACES REDS' MOUND MEN IN WINNING WAYS

**Giants Blot Phenomenal Record; Derringer To Hurl Today**

NEW YORK, June 23.—Cincinnati pitchers ought to do something today and tomorrow about those slugging New York Giants who blot an otherwise phenomenal Redleg hurling record.

In the last eight weeks the Redlegs' fine mound staff has allowed opposition clubs only 145 runs in 48 games, and New York got 51 of these in eight contests, averaging 6.37 runs a game while none of the other six clubs could average more than three and together had an average of only 2.35 a game.

In only 10 of the four dozen games have Redleg hurlers given more than four runs — and Mel Ott's veteran clouters figured in five of these.

Against the other six clubs the Redleg pitchers' ability to prevent runs is amazing.

Here's a pretty big pitching record in 40 games — New York contests excluded: Six shutouts, eight one-runners, a dozen two-runners and six three-runners.

Old Ray Starr's been the bell-weather of the Redleg hurling crew. In completing 10 of a dozen starts since May 1 and winning nine, he's yielded only 15 runs.

Paul Derringer in the five completed games of his last six starts has yielded total of only nine runs and issued but four walks. Elmer Riddle in finishing three of his last six assignments gave just six runs. Bucky Walters and Johnny Vander Meer have allowed 17 runs apiece in the eight games each has completed since May 1.

Paul Derringer is today's probable against Southpaw Carl Hubbell, making his first 1942 start against the Redlegs.

## Cleveland Presents Fight Card Tonight

CLEVELAND, June 23. — Cleveland closes its peak boxing season in 15 years tonight when 18 leading fighters square off for a scheduled 70 rounds of dance, tap and slug.

Approximately 25,000 fans are expected to witness the battles in the Lakewood stadium, and \$70,000 already has been turned in for tickets.

Sponsored by the Cleveland News' MacArthur Bomber fund, the card has many big name fighters.

Top spot on the program matches Harry Bobo of Pittsburgh and Mello Bettina of Beacon, N. Y. The two heavyweights fought out a close decision in Bobo's home town in December, the Beacon southpaw and former champ of the light-heavyweights getting the nod.

Two Cleveland light-heavyweights Joey Maxim and Jimmy Binns, are scheduled for another 10-round.

Anton Christoforidis, another local product, is matched with Johnny Colan, New York city lightweight for 10 sessions. Christo, ex-champion of the 175-pounders, took the decision when the pair met in Chicago for the Windy City's scrappiest battle of the year.

Lem Franklin of Cleveland, recently knocked out by Bob Pastor and Harry Bobo, will be out to hit the comeback trail in the person of Sgt. Joe Muscato, Buffalo heavy-weight.

Fifth of the 10-round fights matches lightweights Harry Teaney of Cleveland and Maxie Shapiro of New York city.

## REISER, GORDON LEAD IN HITTING

NEW YORK, June 23.—The National league at last has produced a rivalry for the batting leadership to equal the hot scrap Joe Gordon and Bobby Doerr have been having in the American league for so many weeks.

The only difference is that the struggle for honors in the senior circuit is between two members of the same team—Pete Reiser and Joe Medwick of the Brooklyn Dodgers.

Reiser at present is on top with an average of .356, six points above Medwick.

Gordon and Doerr both slipped last week, but held their respective positions in the American league race with the Yankee star on top at .367 and Doerr second at .351.

No others could get close to the leaders in either league.

## BLUE SOX TO MEET COLUMBIANA NINE

The Salem Blue Sox will meet the Columbian Merchants in a baseball game at Firestone park, Columbiana, tomorrow evening at 6 o'clock. The game was previously scheduled for last Wednesday but had to be postponed because of wet grounds.

George Wukotich and Herman "Red" Allison will share the mound duties for the locals while hitting Mel Wukotich will be behind the plate. The rest of the lineup is as follows: Milan "Dutch" Mileusnic, 3b; Paul Wukotich, 2b; Al Catlos, 1b; Julius "Juke" Kovach, lf; Paul Scullion, ss; Sam Pridon, rf; Bob Ruffing, cf.

The Salem Blue Sox will hold a practice at Tolerton field tonight at 6 o'clock.

## Under Ohio Skies AS TOLD BY THE CONSERVATION DIVISION

THE PRESENT FISH MANAGEMENT PROGRAM IS ATTRACTING NOTICE. NEARLY SIX THOUSAND SEVEN HUNDRED NON-RESIDENT FISHING LICENSES WERE SOLD IN 1941.

## Bits of Sport

COLUMBUS, June 23.—General Manager Branch Rickey of the St. Louis Cardinals said today he had offered a new contract to Estel Crabtree of Nelsonville, O., former manager of the International league's Rochester team, but that Crabtree continued to remain a free agent. Rickey said he offered the veteran outfielder the same salary as he received before his appointment as Rochester manager.

CINCINNATI, June 23.—Woodward High school here reported today that William L. Theisen, coach and science instructor at Urbana High school, had been employed as coach at \$2,150 annually.

SANDUSKY, June 23.—The Malory brothers cup in the Okoboji Indians trap shoot tournament at nearby Cedar Point went to W. A. Smith of Bucyrus on his score of 48 out of 50 targets.

CHICAGO, June 23.—Cleo McNeal, 147, Barborton, O., lost to Billy Marquart, 147, Winnipeg, in their scheduled eightround bout last night because the Okoboji was unable to respond to the bell for the fifth frame. Examination showed McNeal fractured his right forearm on Marquart's head in the third round. Charley Eschman, 143, Cincinnati, decisioned Ramey McKnight, 145½, Milwaukee, in eight rounds.

Four hundred jalopies found rusting in a Wisconsin "graveyard" yielded enough scrap to make 240 75-mm. howitzers and 480 one-ton aerial bombs.

## DE RINEZOS TAKE PAIR 8 TO 6, 4 TO 3

DeRienzos gained a double victory over Ellsworth at Reilly field in a twin bill played recently, 8-6 and 4-3. Both games were close and the second exceptionally well played with only one error being charged to each team.

DeCrow and Limpose pitched a six hitter and three hitter respectively. Donofrio tagged Pitcher L. Barnes of Ellsworth for two hits in the opener to take individual batting honors while Ehrhart connected for a circuit clout.

Limpose pitched and batted his way to victory in the second tilt as he made two hits in two trips up, including a homer and twirled three hit ball. W. Barnes gave up six hits.

## WAR LEADERS HOLD SHIPPING PARLEY

F. D. R., Churchill In "Most Important Meeting Yet Held"

(Continued from Page 1)

There were some reasons to believe, however, that serious as the immediate military situations may be in China, North Africa and southern Russia, the two United Nations chiefs were looking ahead with measured optimism to the time when the Allied powers will go on an offensive.

The assertion the President and prime minister were mapping an offensive strategy came from Harry L. Hopkins, a presidential intimate. Hopkins, addressing a Russian war relief rally in New York last night, said Churchill has "but one business here" and that was the planning of such strategy.

Neither the Churchill-Roosevelt statement nor the Hopkins speech was so phrased as to nullify speculation the opening of a second front in Europe was a matter of prime consideration in the consultations now in progress.

Hopkins told the meeting he had talked to Mr. Roosevelt a few hours before leaving Washington and the President gave him this message to deliver:

"Tell them that we mean to give Russia aid on the field of battle and that our armed forces will attack at the right time and at the right place and that the Russian front will not fail."

"A second front" Hopkins asked. "Yes, and if necessary a third and fourth front, to pen the German army in a ring of our offensive steel."

Concerning the naval and air battles in the Pacific, Hopkins remarked that "the main Japanese fleet, though damaged, is still intact." But the Japs know now of the deadly striking power of our aircraft carriers, he said, and the vast fleet which moved toward Midway took a "staggering blow" and had gone home "to lick the wounds of that major defeat."

"The battles of the Coral Sea and Midway," Hopkins said, "are preludes of the inevitable disaster that awaits Tokyo and his cruel military dictatorship."

"Step by step, country by country—no matter how long it may take—the forces of the United Nations will strike their way back to the very gates of Japan. We mean to, will, destroy the last vestiges of that military dictatorship which has dominated Japan for so many years and oppressed the great masses of their people."

M. M. Litvinov, Soviet ambassador to the United States who spoke with Hopkins at the Madison Square Garden rally, declared Hitler's new offensive on the eastern front was "his final throw of the dice."

He said the whole military situation might have been changed if the German army had been diverted when the Soviets held the offensive but expressed hope that the lesson has not been in vain and that soon "Hitler will have to relinquish his pet idea of war on one front only."

daylight, thus eliminating an opportunity for the Nazis to hide behind the pretext that the vessel could not be identified. Hull had reference to the fact that Germany, in recently replying to an Argentine government protest over the torpedoing of the Argentine tanker Victoria off Cape Hatteras, North Carolina, expressed regret but contended the ship was improperly marked and her identity had been mistaken. The Victoria was able to make port.

Hull, with a trace of anger in his voice, said the Rio Tercero sinking proved that no matter how the policy is stated in Berlin, in practice and effect it means that neutral ships will be sunk by German submarines just as promptly and criminally as any other vessels.

## Marines in First Evening Mass

Official U. S. Marine Corps Photo

Lieut. Paul J. Redmond, post chaplain, is shown celebrating the first evening mass for Catholic members of the U. S. Marine Corps at Quantico, Va. Rules of the Catholic Church providing that mass may be celebrated only in the morning hours have been relaxed for members of the armed forces so that mass may be said at any time during the day until 7:30 in the evening. Archbishop Francis J. Spellman of New York, head of the Army and Navy Diocese, made the new ruling.

### Africa's Role In War

WESTERVILLE, June 23—A committee studying Africa's role in the war has "reshaped" principles of the Atlantic charter to apply to the dark continent. Dr. Anson Phelps Stokes told a United Brethren conference on African affairs at Otterbein college today.

Then followed his unsuccessful campaign to be governor of Ohio and his Philippine appointment by President Calvin Coolidge.
